

From Mrs. Teresa L.Robert.

Good day

My name is Mrs. Teresa L Robert , I am a dying woman who had decided to donate what I have to the Charities. I am 75 years old and was diagnosed for cancer about four years ago, immediately after the death of my husband in plane Crash as a pilot, I have been touched to donate from what I have inherited from my late husband for the good work rather than allow his relatives to use my husband's hard earned fund.

As I lay on my sick bed, I want you to help me in carrying out my last wish on earth which will be very profitable to you. I want to WILL a total sum of \$6.5 million USD (Six Million Five Hundred Thousand United State Dollars)to you which I want you to distribute part of it to any charity home for me and the rest for yourself and your family which I will inform you on how to share all, please for further information contact me ASAP.

Please reply me only with this my private email id: mrs.teresarobert@gmail.com

Regards,
Mrs. Teresa Robert
